SERVICE ORGANIZATION(S) MEMBERSHIP:
Pacific States Marine Fisheries Commission

SPECIAL INTERESTS:

Fishing, beading, working with people and children in particular.

STATEMENT:

It has been an honor serving 93 communities these past ten years as your State Senator. Under the new redistricting plan, I am running for Senate seat "C", representing 147 communities. The Southeast Island House District has been added to our Senate area.

Representing such a large area will be challenging, however, with your input and a fine-tuned communication network we can overcome these great distances. I've never taken your vote for granted and I will continue to work hard on the issues you convey to me on behalf of yourself and your community.

A strong and positive vision for Alaska's future generations, our children, is evermore critical with declining revenues and the majority-led legislature unwilling to address a long-range fiscal plan.

As your Senator, I shall work for quality education to prepare our children for the future, improved public safety and health, economic and resource development through local planning and implementation, and a resolution to subsistence, which protects the rural priority.

Again, thank you for your vote reflecting the trust you have shown in my leadership for the past ten years.

I believe I am a positive role model for our youth and will continue to represent you with **respect, responsibility and results.**

Past:

- Minority Whip
